BELOW 100 Training

The Below 100 Program is designed to drastically reduce law enforcement Line of Duty Deaths (LODD's). The Below 100 program specifically addresses the operational areas of law enforcement that contribute to the greatest number of LODD's, but are in large part preventable. The Below 100 program is an effort to instill a culture of safety in law enforcement agencies that will progressively reduce national LODD's to Below 100 annually. Instructional methods include lecture, guided discussion and video case studies.
